MARINA BEACH CLUB

VIP TABLE PRICE

The price you pay for the VIP table is meant for 5 people. If you were more than 5, the price of the table will be the result of dividing the actual price among 5 and then multiply it for the number of people you will be, for a maximum of 7 persons. If you were 8 or more people, you must book 2 VIP tables. The money you pay for your table is used for consumption, that is, buying bottles of our VIP Area Bottle Service. If the day is marked with 100% consumption, then you can spend the whole price of table on bottles. Instead, if the day is marked with 50%, then you have a credit of 50% of the table price to buy bottles.

For example, if your VIP table costs 300€, then you have 300€ to spend on VIP Area Bottle Service if the day you have booked is marked with 100% consumption. If the day is 50% consumption, you will have 150€ to spend.

VIP TABLE RULES

- Clients who book a VIP table will not have to pay the ticket to entry and will be allowed to freely move in and out the club.
- Clients who book a Day table will have to leave the table at 11pm. They can stay at the dancefloor for the night session.
- Clients who book a Night table will be able to access the VIP at 11:30pm.
