VIP TABLE PRICES ON SPECIAL DAYS

- The price paid will be for 5 people per table. If there were more people, it would be divided by 5 and multiplied by the number of people, with a maximum of 7. If there were 8 people, two tables would have to be paid. The money paid for each table will go towards the purchase of bottles from the VIP menu, varying depending on the day between 50% and 100% of the amount paid. Example: If your table costs 300€, you will have 300€ of credit to spend on the VIP's bottle menu if 100% consumption is indicated. If 50% consumption is indicated, it would be €150.

- Table prices shown in this document are pre-sale prices. Table prices may vary if purchased at the door.

- Extra wristbands will be sold at the entrance as long as the capacity allows it and they will be with the indicated consumption up to a maximum of 7 people per table, after that number they will be without consumption.

VIP TABLE RULES ON SPECIAL DAYS

- Customers who book a table in the VIP lounge do not have to pay the entrance fee and can enter and leave the lounge as many times as they wish.

- The club's VIP tables are suitable for drinks: soft drinks, glasses and ice. They are designed to enjoy the club dancing and standing around the table. There is also some complimentary seating in case someone in the group wants to sit down, but not for everyone at the table.

- Day session customers will have to leave the VIP at the time indicated on each special day and may remain on the dance floor during the night session (except for special times).

- Night session customers will not be allowed to enter the VIP area until the time indicated on each special day.
