VIP TABLE PRICES ON SPECIAL DAYS

- The price paid will be for 5 people per table. If there were more people, it would be divided by 5 and multiplied by the number of people, with a maximum of 7. If there were 8 people, two tables would have to be paid. The money paid for each table will go towards the purchase of bottles from the VIP menu, varying depending on the day between 50% and 100% of the amount paid. Example: If your table costs 300€, you will have 300€ of credit to spend on the VIP's bottle menu if 100% consumption is indicated. If 50% consumption is indicated, it would be €150.

- Table prices shown in this document are pre-sale prices. Table prices may vary if purchased at the door.

- Extra wristbands will be sold at the entrance as long as the capacity allows it and they will be with the indicated consumption up to a maximum of 7 people per table, after that number they will be without consumption.

VIP TABLE RULES ON SPECIAL DAYS
