

Marina CLUB VIP TABLES 2026

ABOUT VIP TABLE PRICES CHECK PRICES ON THE WEBSITE: CLUB RESERVATIONS

- The price paid will be for 5 people per table. If there were more people, it would be divided by 5 and multiplied by the number of people, with a maximum of 9. If there were 10 people, two tables would have to be paid. The money paid for each table will go towards the purchase of bottles from the VIP menu (not beers and shots). Any remaining money may only be used as credit towards other bottles, other soft drinks, or premium soft drink supplements or Red Bull. This money may never be used at the VIP area bar. If VIP customers would like individual shots, beers or any other product not listed on the menu and not being bottles, they must go to the bar and pay for them. These products will not be served at the table by any waiter. We advise you in order to adjust the amount of your consumption with the price of the bottles to avoid unusable leftovers.

Money paid for each table may be used to purchase bottles in the proportion indicated each day, which may vary between 50% and 100%. Example: If your table costs 300€, you will have 300€ of credit to spend on the VIP's bottle menu if 100% consumption is indicated. If 50% consumption is indicated, it would be €150.

- Table prices shown in this document are pre-sale prices. Table prices may vary if purchased at the door and depending on how far in advance you buy them.
- Extra wristbands will be sold at the entrance as long as the capacity allows it and they will be with the indicated consumption up to a maximum of 9 people per table, after that number they will be without consumption.
